Good afternoon,

Firstly, a huge congratulations on supporting your child through their first assessment week of Year 8.

We are encouraging great attendance next week! If your child attends college every day from 9th to 13th November, they will be rewarded with a **chocolate treat during Friday's form period.**

This week follows **Assessment Week**, so it's especially important that students are in **all lessons** to receive valuable feedback and support based on their assessments. Being present will help them understand their progress and next steps — and the chocolate is a nice bonus too!

Feedback = Treat back

Kind regards
Mrs S Khan
